

Daya House

Hammersmith & Fulham · All female

5 bedroom en-suite · 24 hour high support

About this home

An all female service supporting women to become independent through bespoke support packages. Keyworker plus weekly sessions toward agreed goals. Daily living support. Weekly therapeutic activities including dance, music, and art, with two cooking and baking group sessions each week.

Included in our support

- In-house Psychology Lead and four Assistant Psychologists
- In-house Nutritionist and Activities Coordinator
- A keyworker and weekly keyworking sessions
- Our own employed team, with no agency staff
- A pathway from 24-hour high support to lower support, move-on studio flats and your own home

Where it sits on our pathway

24-hour high support: the first stage of our pathway.

Referrals

We aim to assess every referral within days. Over the past two years our median time from referral to assessment has been 3 days, and 82% of people were assessed within a week. Rates on request — we reply within one working day.
