

Fitzneal House

Hammersmith & Fulham · All male · Forensic

5 en-suite rooms · 24 hour high support · Opened July 2026

About this home

Our forensic service: a five-room, all-male home with staff on site 24 hours a day, for men with a forensic history and mental health needs.

Included in our support

- In-house Psychology Lead and four Assistant Psychologists
- In-house Nutritionist and Activities Coordinator
- A keyworker and weekly keyworking sessions
- Our own employed team, with no agency staff
- A pathway from 24-hour high support to lower support, move-on studio flats and your own home

Where it sits on our pathway

24-hour high support: the first stage of our pathway.

Referrals

We aim to assess every referral within days. Over the past two years our median time from referral to assessment has been 3 days, and 82% of people were assessed within a week. Rates on request — we reply within one working day.
