Hillingdon

**5 bedroom en-suite · 24 hour high support**

## About this home

Supported living for young adults (18-25) with mental health needs and a learning disability or autism. 24-hour support in a five-bedroom home with expansive communal spaces including double kitchens and a garden.

## Included in our support

- In-house Psychology Lead and four Assistant Psychologists
- In-house Nutritionist and Activities Coordinator
- A keyworker and weekly keyworking sessions
- Our own employed team, with no agency staff
- A pathway from 24-hour high support to lower support, move-on studio flats and your own home

## Where it sits on our pathway

24-hour high support: the first stage of our pathway.

## Referrals

We aim to assess every referral within days. Over the past two years our median time from referral to assessment has been 3 days, and 82% of people were assessed within a week. Rates on request — we reply within one working day.
