

Oak Grove

Ealing · All male · Substance misuse & behaviour that challenges

7 bedroom en-suite · 24 hour high support

About this home

An all male service for men with substance misuse and behaviour that challenges. Minimum six month support and housing tenancy with a relaxed therapeutic approach designed to keep the people we support in the community and prevent homelessness or relapse.

Included in our support

- In-house Psychology Lead and four Assistant Psychologists
- In-house Nutritionist and Activities Coordinator
- A keyworker and weekly keyworking sessions
- Our own employed team, with no agency staff
- A pathway from 24-hour high support to lower support, move-on studio flats and your own home

Where it sits on our pathway

24-hour high support: the first stage of our pathway.

Referrals

We aim to assess every referral within days. Over the past two years our median time from referral to assessment has been 3 days, and 82% of people were assessed within a week. Rates on request — we reply within one working day.
