

Rosewood House

Hounslow

5 units · 1 self-contained flat + 4 studios · Low / medium support

About this home

A step-down option within the cluster: one fully self contained flat plus four studios with built in kitchens, designed for the people we support ready to step out of supported living and into independent tenancy. Mixed service for those one stage away from being independent.

Included in our support

- In-house Psychology Lead and four Assistant Psychologists
- In-house Nutritionist and Activities Coordinator
- A keyworker and weekly keyworking sessions
- Our own employed team, with no agency staff
- A pathway from 24-hour high support to lower support, move-on studio flats and your own home

Where it sits on our pathway

Lower support: a step-down from 24-hour support.

Referrals

We aim to assess every referral within days. Over the past two years our median time from referral to assessment has been 3 days, and 82% of people were assessed within a week. Rates on request — we reply within one working day.
